THERAPY PLUNGE POOLS

THE NEW WAY TO POOL.

At Plunge Pool Concepts (PPC), we're not just in the business of creating plunge pools; we're in the business of crafting unforgettable, extraordinary experiences. Our brand is your gateway to a world of relaxation, fun, and luxury right in the comfort of your own backyard. We take immense pride in the quality of our product. With over one hundred years of combined experience in the pool industry, PPC is synonymous with superior craftsmanship, ensuring that every pool we create is stunning and built to withstand the test of time.

PPC is redefining the way you enjoy your outdoor space one plunge pool at a time. The new way to pool encompasses our mission to develop innovative products that open up a wide range of options for those who thought pool ownership was not a possibility.

BENEFITS

DURABILITY

Concrete, precast plunge pools can withstand New England's harsh winter and Florida's tough storms.

CUSTOMIZABLE

The most customizable plunge pools on the market with the widest range of upgrades to personalize!

FASTER INSTALL

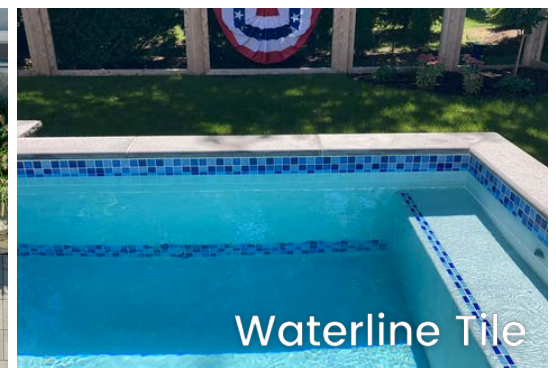

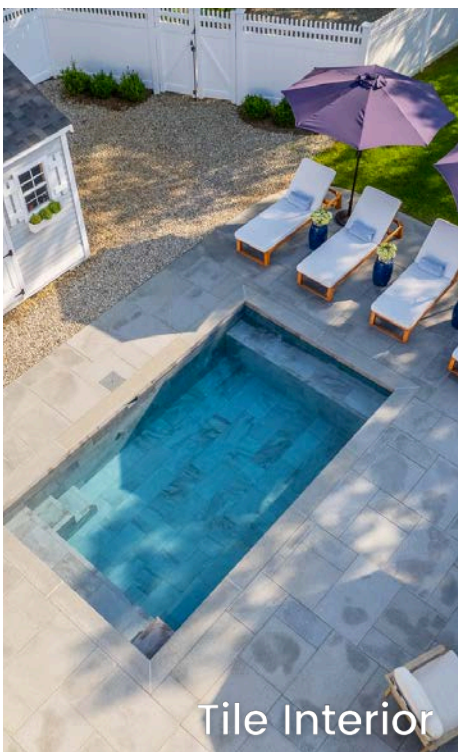

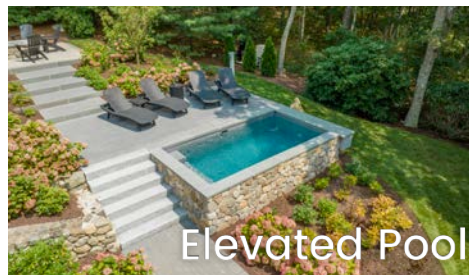

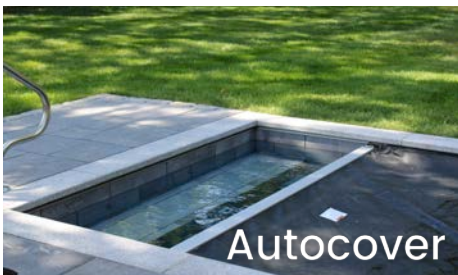

Total construction time is measured in weeks not months. Once permitted, install can take only days.

LESS MAINTENANCE

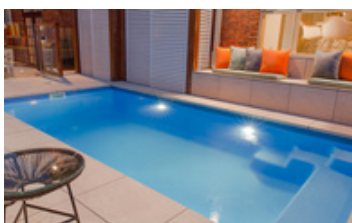

Smaller pool means less chemicals, less maintenance and more time for enjoyment.

THE MOST CUSTOMIZABLE PLUNGE POOL.

BENEFITS

200X STRONGER

Graphene is over 200 times stronger than steel, giving you our strongest pool ever. Higher flexural and impact strength.

30% LIGHTER

Graphene is surprisingly light, giving our pools exceptional strength without added weight. Lighter for transport and crane lifts.

HIGHER UV RESISTANCE

A Graphene Nano-Tech coating has a higher resistance to water and chemicals and improved corrosion barrier.

CUSTOMIZABLE COLORS

Customizable color options allow individuals to tailor their experiences to their personal preferences.
